

## **GLOBAL TENDER BARGES SUCCESSFULLY MOBILISED GLOBAL SAPPHIRE DRILLING RIG**

Global Tender Barges Pte Ltd successfully mobilised the “Global Sapphire” drilling rig from DrydockWorld Shipyard on 19<sup>th</sup> March 2010, following a 5 year Special Periodic Survey (SPS) and significant upgrades, including client modifications.

The rig is contracted to PETRONAS Carigali Sdn Bhd for four (4) years with a one-year option.

The rig will be operational at Carigali’s Kumang “A” platform in Sarawak, Malaysia.

GTB is pleased to commence its long term relationship with PETRONAS CARIGALI SDN BHD, and look forward to delivering safe and efficient drilling operations in Malaysia.

This mobilization represent a milestone for GTB towards its objective of becoming the preferred partner in supplying first class tender drilling rigs for the global energy industry.
